## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
LaSalle Association for the Developmentally Delayed, Inc.  
Jena, Louisiana

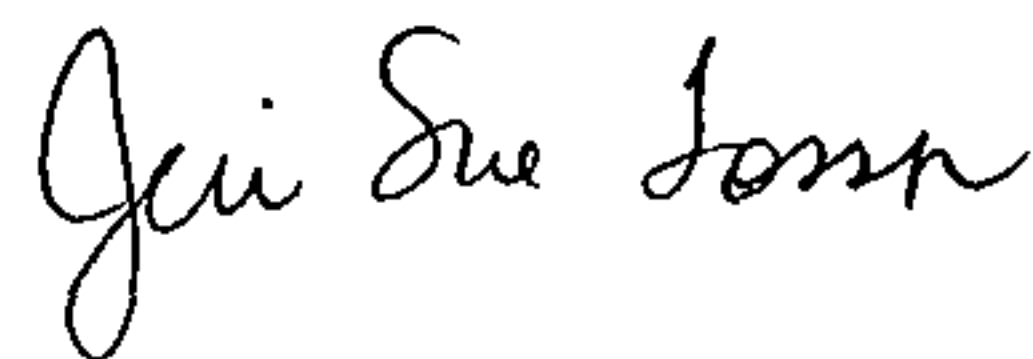

I have audited the accompanying statement of financial position of the LaSalle Association for the Developmentally Delayed, Inc., (LADD), as of June 30, 2002, and the related statements of activities, net assets and cash flows for the year then ended. These financial statements are the responsibility of LADD's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of LADD, as of June 30, 2002, and the results of its operations and the changes in financial position for the year then ended in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, I have also issued my report dated July 19, 2002 on my consideration of LADD's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of my audit.

My audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The schedule of supplemental information is presented for purposes of additional analysis and is not a required part of the financial statements of LADD. Such information has been subjected to the auditing procedures applied in the audit of the component unit financial statements' and, in my opinion, is fairly presented in all material respects in relation to the financial statements taken as a whole.

**LASALLE ASSOCIATION FOR THE DEVELOPMENTALLY DELAYED, INC.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**JUNE 30, 2002**

**NOTE 1 - LASALLE ASSOCIATION FOR THE DEVELOPMENTALLY DELAYED**

LaSalle Association for the Developmentally Delayed, Inc., (LADD) was organized in 1976 to promote the general welfare of retarded citizens wherever they may be, and, specifically, to provide as normal a work and learning atmosphere in the least restrictive environment for retarded adults in LaSalle Parish. The Association receives funding from the State of Louisiana, Office for Citizens with Developmental Disabilities (OCDD), the Louisiana Medicaid Program, the LaSalle Parish School Board, performs services for the general public under its Work Project program, and receives funds for other activities from memberships and contributions. In 1991, the Association began operations of LADD Industries to provide further supported employment opportunities for its clients.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Fund Accounting**

In order to ensure observance of limitations and restrictions placed on the use of resources available to LADD, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund and, accordingly, all financial transactions have been recorded and reported in the following fund groups:

General Fund - Resources are provided under several contracts from the State of Louisiana and the LaSalle Parish School Board, based on the days or types of services provided, and by other sources such as interest, contributions, and membership dues. Expenditures are of a nature of those specified by the State in its *Guidelines for Allowable Costs* from the OCDD, except as noted hereafter.

Work Project Fund and LADD Industries Fund - Resources are provided as fees for services performed by or sales of products made by the clients and interest and are used to pay wages to the clients and other costs as needed for these services, including the purchase of the LADD Industries building.

B. Income Tax Status

LADD qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for income taxes.

NOTE 3 - FIXED ASSETS AND DEPRECIATION

During past years, LADD received four vans through the Urban Mass Transit Act grant, Section 16(b)(2) program, through the Louisiana Department of Transportation (DOTD). LADD has capitalized their 20 to 30% matching portions of the vans in addition to the 70 to 80% in-kind grant funds received. The DOTD holds a reversionary interest in the vans. Fixed assets consist of these vans and other small items. Ownership of all fixed assets in the general fund of LADD would revert to the Department of Health and Hospitals, OCDD, if LADD were to cease to function. Depreciation is provided on a straight-line basis over various lives recommended by the OCDD.

There are also fixed assets owned by Work Project in the amounts of \$3,785 in 2002 and \$1,690 in 2001 and by LADD Industries in the amount of \$68,576 in 2002 and 2001 respectively, including the LADD Industries building and real estate in the amount of \$54,735. Depreciation on these assets is provided on the straight-line basis over their useful life.

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors  
LaSalle Association for the Developmentally Delayed, Inc.  
Jena, Louisiana

I have audited the financial statements of LaSalle Association for the Developmentally Delayed, Inc., as of June 30, 2002, and for the year then ended, and have issued my report thereon dated July 19, 2002. I conducted my audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

Compliance

As part of obtaining reasonable assurance about whether LaSalle Association for the Developmentally Delayed, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contract and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements of the Association, I considered its internal control structure in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal

control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control structure and its operation that I consider to be material weaknesses as defined above.

This report is intended for the information of management and the Legislative Auditor of the State of Louisiana. This restriction is not intended to limit the distribution of this report, which is a matter of public record.
